

CSBA CONVENTION WE ARE BETTER TOGETHER!

The CSBA Annual Convention is just around the corner! This year we will be at the Hilton Santa Barbara Beachfront Resort located right across the street from the beach and only a short walk to fabulous restaurants, bars, and tasting rooms!

When you aren't consumed with our great line-up of speakers, exhibitors, and events you can take a walk on the beach, rent a bike from the hotel and explore the coast on two wheels, enjoy a drink and fresh seafood on the pier!

A MESSAGE FROM CSBA PRESIDENT BUZZ LANDON:

Welcome to the 2021 Santa Barbara CSBA Convention!

As summer is beginning to give hints of fading, many are busy pulling honey and getting mite treatments on as quickly as possible. Keeping your fingers crossed that the bees will look just as good as they do now, three months from now when winter hits and we get to take a break, ha ha, ha!

While you are on the "break" come join us at the beach in sunny Santa Barbara for the 2021 California State Beekeepers annual convention. I guarantee you will love the location as we will be directly across the street from the ocean, which I think is a pretty great spot to take a "break."

This will be the first convention that we are all back together in-person as an industry to network, learn about new innovations from our outstanding vendors and hear the latest research being done in our industry. I am excited about the line-up of great speakers and presenters.

In this packet you will find all the information you need to register for the convention, make a donation to our auction, advertise in our convention materials and so much more! I want to thank our generous sponsors in advance for their dedication to the industry and allowing this convention to happen every year. Don't forget to download the NEW convention mobile app and make your hotel reservations soon! This is a convention you don't want to miss.

See you in November!

Buzz Landon
